Subject. Additional grant of Rs 1600 under the head "Prisoners Rations" in the Jail Budget of the Mysore Jail for the official year 1901-02.

The last reference is letter No. 561 dated 30th July 1902, from the Comptroller.

Note.

S.No-1.

With his letter dated 26th March 1902, the Inspector General of Prisons submitted for sanction a reappropriation statement for the transfer of Rs 525 from the head "Prisoners' clothing" to "Contingent guard", of Rs 100 from "Jail Contingencies" to "Hospital charges" and of Rs 1600 from the savings in the Jail Budget to "Prisoners rations" in the budget allotments of the Mysore Jail for the year 1901-02, as the sanctioned allotments under these heads were exhausted.

under the first two heads, viz "Contingent Grant" + "Hospital charges" was sanctioned; but as regards the excess amount applied for under "Prisoners' Rations", the Inspector General was informed that a reappropriation from such an indefinite source as general Savings was inadmissible; and he was requested to point out the particular items in the budget from which he expected a savings of Rs 1600 and also to explain why such a large excess was rendered necessary towards the close of the year. (Vide Govt. Pro: No. 9338-9 / 1798 dated 19th June 1902). S. No. 2

In reply the Inspector General stated S No. 4 that the reason for the incurring of such a large amount ~~is due to the~~ was on account of increase in the jail population and also the non sanction by Govt of the full amount applied for by him under this head, that there were no savings under any of the sanctioned items in the budget and that the excess amount applied for should only be

met from the General Savings in the Prison budget under "Law + justice

S. No. 5

The Comptroller was thereupon asked to state what the amount of savings was under the different main heads of the Jail Budget

S No. 6 a

The Comptroller has submitted the required statement from which it will be seen that while the total expenditure for 1901-02 was 107,122, the amount sanctioned in the budget was only 101,307, i.e. 5815 less than the amount expended. (Of this total excess of Rs 5815 the greater portion, viz. Rs 4296 has been already ordered to be met from General Savings).

The additional sum of Rs 1600 applied for by the Inspector General has to be sanctioned as a supplemental grant of the year 1901-02.

Letter No. 823 dated 20th August 1902 from the I.G. of Prisons, requesting sanction to an —— of Rs 2500 under "Lock-up Prisoners' rations" in the jail Budget of the Kolar District for the offl year 1901-02

Note.

The budget grant provided for under the head "Lock-up prisoners' rations" for the Kolar district for the official year 1901-1902 is Rs 1800. In May last the Deputy Commissioner, Kolar district, reported to the Inspector General of Prisons that Rs 2109-10-4 had been spent under the above head till the end of December 1901 and that an additional sum of Rs 2190-5-8 was estimated to be required till the end of the year, viz up to 30th June 1902 and therefore requested him to

to obtain the sanction of Govt for the re-appropriation of ~~Rs 2~~ the extra amount viz Rs 2500 from the General Savings. The Inspector General accordingly forwarded the reappropriation statements back for sanction.

In reply he was asked to give a detailed explanation as to (1) why an expenditure so largely in excess of the sanctioned provision was anticipated and (2) as to whether such a large amount was really likely to be available under the General Savings of the Jail Budget for that year. S No. 3

(1) The Deputy Commissioner reports that the figures for 1901-02 were based upon the monthly average for the previous year, but that during the year there was a large increase of prisoners of all kinds probably due to the increase in the Gold Fields Industry, which could not have been anticipated when forwarding the budget Estimates in Feby 1901. S No 4/a

S NP. 4

As regards (2), the Inspector General says that his office is not furnished with the accounts in connection with the Lock-up expenditure and that the Comptroller may be asked whether any savings are available.

But the Comptroller has submitted a statement of Expenditure under the different heads of jail Budget, from which it will be seen that the total expenditure is more than what is sanctioned in the budget.

Vide c/s 2 post ups.

Therefore the extra amount of Rs 2500 has to be sanctioned as a supplemental grant for 1901-02.

Letter No. 830/J dated 22nd August 1902 from the I.G. of Prisons, requesting sanction to ——s under certain heads of the Jail Budget of the Bangalore Central Jail for the Official Year 1901-1902.

Note.

With his letter No: 607 dated the 21st June 1902, the Inspector General of Prisons submitted a reappropriation statement to meet the excess expenditure incurred under certain heads in the budget allot-ments of the Bangalore Central Jail for the official year 1901-02.

In reply the Inspector General was asked to report ~~what~~ the actual expenditure ~~was~~ under the heads referred to by him up to the end of June 1902 and the

the actual amount of savings available under each head of the jail Budget.

The Inspector General has accordingly submitted a statement showing the budget allotments and the actual excess and balance under each head of charges in the Bangalore Central jail for the official year 1901-1902. It will be seen therefrom that excess expenditure over and above the Budget grants has been incurred under the following heads to the extent noted against each:—

	Rs. A. P.
1. Rations	735 - 9 - 6
2. Hospital charges	105 - 0 - 11
3. Clothing charges	83 - 10 - 8

Savings are available under the following heads to the extent noted against each:—

Jail Contingencies	Rs 731 - 7 - 5
Hanging charges	50 - - -
Rewards for apprehending prisoners	100 - - -

It is submitted that the excess expenditure incurred under the last three heads, viz Hospital charges, Clothing charges and Temporary Establishment may be sanctioned by means of re-appropriation from the available grants under Jail Contingencies, Hanging charges and Rewards for apprehending prisoners and that the sum of Rs 735-9-6 incurred under the head "Rations" be sanctioned as a supplemental grant for the year 1901-1902.

Excess Expenditure in the jail budget of the last official year, (1901-02).

1. Letter No: 1643 d. 22-9-02 from the Comptroller.
2. —a— 1727/527 d. 27-9-02 — ditto —.

Note.

The Inspector General of Prisons submitted for sanction three re-appropriation statements to meet the excess expenditure incurred during the last official year over and above the budget grants provided for under certain heads in the following jails and lock-ups:—

(1) Bangalore Central jail.
(2) Mysore jail
(3) Kolar District ~~lock-ups~~.

3. Kolar District.

Lock-up prisoners' rations + clothing	1800	4198	2398

The reasons for the increased expenditure explained to be due to the increase in number of jail population and also to the sanction of the full amount provided for the Draft Budget.

The Inspector General of Prisons says that

he could not point out any definite source in the jail budget for meeting the above excess and requests that it may be sanctioned to ~~not~~ be met by way of reappropriation from the general Savings of the jail budget.

S No. 21

The Assistant Secretary suggested that instead of ~~dot~~ dealing piecemeal with such separate applications, it would be convenient in every way to pass orders on the basis of the total excess expenditure under Prisons for the Whole State as ascertained from the Comptroller and the Inspector General of Prisons and called for the submission of a single office note for orders.

S No. 22

The Comptroller has accordingly submitted a statement shewing the expenditure under all the heads in the jail budget for the last year (1901-02). It will seem therefrom that the total expenditure as per preliminary accounts amounted to Rs 1,07,234-6-0. The budget grant for the year being Rs 1,01,307-0-0, the

net excess amounts to Rs 5927-6-0; In it is included Rs 4296 the cost of Lock-up Police guard and Establishment, which was ordered to be met from general Savings as no provision was made for it in the budget (vide Govt Proceedings No 837-8/981 dated the 16th July 1902). The net excess that has to be sanctioned now is Rs (5927-6-0 — Rs 4296) 1631-5-0.

S Nos 7 & 8

In reply to the Secretary's query whether the excess charges can be met out of the budget grants under the respective heads of the current official year (1902-03), the Comptroller states that he is not in a position to say whether any savings can be effected under any of the heads as only the account for July is being compiled and that the Inspector General of Prisons will as the head of the Department be in a better position to say what savings can be effected.

S Nos 12 & 14

In another letter he states that the

S No 23

excess having already been incurred and charged in the accounts of last year, only formal sanction of Government is necessary for noting in the audit register as authority for admission of the excess.

Subd for orders as to whether the net excess expenditure of Rs 1631-6-0 may be treated as the matter settled once for all.

The excess expenditure under the above head is chiefly due to the increased population of the Mysore Jail. Under the foregoing circumstances a re-appropriation of Rs1600/- has to be applied for to meet the excess expenditure under the said head.

There being no savings under any of the sanctioned items of the Budget for the Mysore Jail for 1901-1902 the excess amount applied for should only be met from the General Savings in the Prisons Budget for that year under 14 Law and Justice 10 Jails as recommended in my letter No.332/J dated 26th March 1902, as it is not possible to point out any definite source from which the same could be met.

Sir,

In reply to your No.610/J dated 21/24th Instant, directing me to point out the particular items in the Budget under which savings could be expected and also to explain why such a large excess has been rendered necessary towards the close of the year, I have the honor to report as under:-

In the re-appropriation statement sent to you with my letter No.605 of 24th March 1902, I had stated consequent on the admission of large number of prisoners and owing to the non-sanction of the full amount provided for in the last Budget (for 1901-1902), this amount has to be indented for and is proposed to be met out of General Savings, if any remaining, out of last year's (1900-1901) budget of Jail Departments or out of General and Revenue funds. The amount estimated as Ration charges for 1901-1902 was Rs.12,000, whereas the sanctioned amount was only Rs.9,000/-. This necessitated the curtailment of numerous charges under the head but an influx of 50 prisoners transferred from Bangalore to Mysore Jail reduced all hopes of curtailment. Hence I had

to

to apply for funds again.

As already explained, no savings could be expected under any items of the Budget of this Jail. If there are any savings out of the last year's (1900-1901) budget of the whole Jail Establishments, the extra ration charges may be met out of the same. In the case of there being not any such savings, the cost should only have to be met from the General and Revenue funds.

Sir,

Sir,

With reference to your No.3620/J318 dated 11th Instant enquiring what the actual excess expenditure during the year 1901-1902, under the head "Lock-up Prisoners Rations Clothing&c" I have the honor to forward herewith a statement showing the expenditure under all the heads under Jails for 1901-02 as per Preliminary accounts, from which it will be seen that the total expenditure under jails shows a net increase of Rs.5927 over and above the Budget grant- The expenditure under Lock-up Prisoners Rations alone is Rs.15,592/- against a Budget grant of Rupees 12,800/- Kolar District alone contributing an excess of Rs.2398/ over the Budget allotment of that District.

As regards the meeting of the charge from the current years Budget grant I am not in a position to say whether any Savings can be effected under any of the heads as only the account for July is being compiled. The Inspector General of prisons will, I think as the head of the Department be in a better position to say what Savings can be effected.

His docket No.350/8 dated the 28th September 1928.
